INSIDE A BARELY LEGAL GIRL

Hey! It's me, Lindsey. You guys know how I'm always here working late, all alone, trying to get the magazine out on time. I can't keep you waiting for the new issue! Anyway, sometimes when I'm editing the photo sets, I have to, you know, take care of things. Down there.

Well, the other night I was...taking care of things, and I heard a noise. You guys—I wasn't alone! It turns out the cleaning crew has been peeping on me for weeks now! I'm so embarrassed. If I had known people were watching, I would have put on a show!

Why couldn't I have been more like our July girls? Instead of yanking my panties right off, I should have slid my hand in and teased a little, like Lorelai. Instead of sitting in my (very sticky) desk chair, I should have gotten on all fours and spread from behind, like JC. Or maybe flashed a little butthole, like Livia, or stuck two fingers in my pussy, like Khloe.

I'll never get over the embarrassment—until tonight. I'm working late again. ;)

TALIA SHEPARD

mammary lane

ey, it's Lindsey. Former Teen Queen of the Month Talia (May 2010) is one of my favorite BL girls of all time. I was dying to have her back, but then I heard she got a *huge* boob job last year, and you know BL has a strict no-implant policy. Well—Talia to the rescue! She dug up these photos from right before her surgery, just so we could run her one more time. :)

Talia, thank you for finding these photos. They must be a trip down memory lane for you.

Yeah. My boobs look cute here, but I love what I have now. What made you go all the way up to a 28GG? That's like having two extra heads!

LOL! Well, for me, modeling is an art. I want to make a statement and get a reaction.

You're definitely doing that. What do you like most about modeling?

I love expressing myself—my passion, my sexiness, my seductive personality.

Write erotic stories. Watch scary movies. Play with my dog, Sayla. She's my furry baby.

Sayla-that's an unusual name.

She's named after c'est la vie, which means "that's life." It's my philosophy.

What turns you on the most?

Watching porn. Omigod, I just recently watched the hottest scene ever—this girl was getting her ass pounded.

Are you planning to do porn yourself?

No, not hardcore. You might not believe it, but I've only had sex with five guys in my life.

Wow, you're practically a nun! A very naughty nun.

LOL! I like that. Anyway, I don't need to have actual sex on camera. Just by modeling, I feel a sexual connection with the viewers. I hope they feel it, too.

We'll soon find out! *

MARCH 2012 PANTY AND SOCK CONTEST WINNERS!

M.B., Missy spoke and you listened. You have to own her panties. And D.M.C., we believe in miracles, too. Wear Missy's right sock in good health!

Dear BARELY LEGAL.

I feel so elatedly happy being named the winner of Maryjane's autographed socks [September 2011]. The day that I received confirmation I laughed out loud, saying, "Omigod, I won!" My heart was racing, my cock hard. Ideas ran wildly in my head on what to do with Maryjane's socks first.

I put my hand inside one of Maryjane's sexy socks, rubbing it up against my cock and balls. The softness sent tingling sensations, causing erotic feelings. I slipped my other hand inside the other soft sock, then used my hands as mittens up against my cock. In my fantasy Maryjane was foot-fucking my cock with her socks on, making me horny for her sex. I let loose my hard, throbbing cock, coming in all directions.

The next day I put Maryjane's socks on my feet. My cock got so erect. I moved my toes around inside Maryjane's soft socks. The

Missy.

You are the hottest girl to grace the pages of BARELY LEGAL in a long time. I'm not a math teacher, but I am a whiz at math and would love to prepare for you a smorgasbord of tuna fish sandwiches while we plan our hot, adventurous sexual encounters in the malls across America. But first I'd love to take your panties, that I'm gonna be receiving in the mail after winning this contest, and get my copy of BARELY LEGAL #119, put the DVD in my player, and watch you coming on-screen while I jack off using your silky panties to bring myself to an enormous orgasm. I'll shoot a nice, big, hot, creamy load in your panties and keep them warm till I can bring them back to you to wear while we eat those tuna sandwiches and plan our mall-sex encounters. This way you can have a creampie both before and after I make love to that beautiful, sweet, sexy body of yours. I want to smell the sweet, pungent odor coming from your wet, juicy pussy and then taste those sweet juices pouring from your hot pussy as we begin our hours of hot, wild public sex.

> M.B. Kentucky

Missy.

I want your socks because there's two of them! One I couldn't help but sniff, lick, and, of course, masturbate into immediately. And the other would be perfect on my right foot that's full of cadaver bone and hardware after a car accident last May. I will never be able to run on my right foot again, according to my doctors. Who cares? Every time I look into your brown eyes, I see that miracles can happen! Thank you!

D.M.C. Utah

whole time I had my BARELY LEGAL magazine open to Maryjane's gorgeous nakedness. I felt so horny, with erotic sensations running throughout my naked body as I masturbated. Then all at once I came all over my naked legs, stomach, cock, and balls, my hands covered in cum.

Naughty Johnny Ohio

I'm so happy you're enjoying your prize, Naughty Johnny! Thanks for writing! —Lindsey

Dear Lindsey,

Thank you for another great issue of BARELY LEGAL [February 2012]. Your girls are always so hot. Rylee was so hot I almost came when I saw her. I look forward to each issue so I can read *Inside a BARELY LEGAL Girl*. You make each issue perfect with your knowledge of pussy. You are so hot, Lindsey. I get so hard thinking about you as I jack off. Don't change a thing about you.

Rodney California RYLEE

I hope you can give us full-bush fans what we need. Thanks for everything, Lindsey. I love this magazine, so keep up the great work.

Muff Diver Ohio

M.D., I wish I could get those girls to go furry, but they love their bald pussies. All I can do is keep hunting for hairy carrot-tops—like Jess, on page 90 of this very issue! Also, next month we have an unshaved auburn beauty named Fawna, and later this year Pepper Kester (December 2011) returns. Pepper doesn't have a full bush, but I hope you find her mini muff dive-worthy! —Lindsey

Dear Lindsey,

I have been a subscriber to BARELY LEGAL for a few years now. Love your magazine, your column, your photos, and all the models who appear. Each issue keeps getting better and better. What I like, and feel that sets BL apart from the other young-girl mags, is the intimate interviews

that you do with each model. Not only does the reader get to view their luscious bodies, but he gets to be somewhat intimately acquainted. This way I get to pick girls that not only appeal to me by looks, but closely match my interests and sexual desires, whether they are pro models or modeling for fun, budding porn stars or just the gal-next-door type. And you really seem to get into each and every interview. You no doubt enjoy being with a sexy and tasty young gal as well as with men. Your comments add spice to the interviews.

Continued success with your column and your interviews. Looking forward to the next—and all issues.

D.B.

Thanks, D.B.! Interviewing naked girls is super-fun—and also super-hard! Good thing I have lots of will power. ;) —Lindsey

Thanks, Rodney! You make me <u>feel</u> hot in a certain place (hint: my pussy). In other hot news, Rylee's coming back later this year. P.S. She still has her braces!

—Lindsey

Dear BARELY LEGAL,

The February issue is the best so far, if you ask me. Kelly Klass from Tulsa, Oklahoma—great bush, and those pussy lips I could lick and suck for hours.

Felicity Johnston [Believe in Me: A BARELY LEGAL Confession] from Fayetteville, Arkansas, saved by Pastor Joe! I think Felicity needs to be saved by Pastor Earlon. I would make sure Pastor Joe licked her asshole the right way, then push my penis inside her tight little asshole.

Aubrey Belle from Springfield, Missouri—the best of all. Her cute face, that pretty smile. I would love to kiss every inch of her body.

The best thing is, all three of these young ladies live only a hop, skip, and a jump from me. They sure know how to grow them in the heartland.

Earlon from Missouri

You mean they grow them extra naughty?

-Lindsey

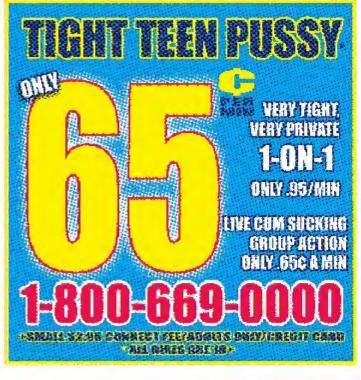

Dear Lindsey,

It's been a while since I've written, but you know I only write when it's important. So...what's up with all of the beautiful natural redheads denying me my full bush? Lindsey, you've got to help us bush lovers. How about trying to get Faye Reagan (February 2008), Ruby (July 2010), Dani (November 2010), Aubrey Belle (May 2011 and February 2012), Emilee (Anniversary 2011), and Kloe (January 2012), just to name a few, to give us the "fire bush"?

CICI

sophisticated virgin

ici blossomed late in her teenage life. Throughout her terrible high school years, Cici was considered awkward and ugly in the cruel judgment of her peers.

Cici's parents immigrated to America from their native island, Corsica, when she was 14. At the time, Cici was pudgy and short. She marveled at the long-legged American girls. Blond hair, gleaming-white teeth and firm, perky breasts seemed the birth rights of the American race.

Cici used to walk home from school with tears staining her sad, pimply face.

Last autumn, as Cici entered her 18th year, her body was wracked with radical transformations. She scarcely recognized it as her own. Her legs sprouted like weeds.

She grew long and shapely. Her lips swelled and ripened with adult sensuality. Her chest bloomed with the fullness of a woman.

Cici found pleasure in the mysterious developments teeming in her flesh. Her mother took her aside and schooled her in the arts of Old World feminine sophistication. Cici learned that a young woman's skin yearns for the comfort of French-cut lace. The graceful arches of her feet are best displayed in high heels, preferably sandals with straps that are elegant and thin. Her mother told her to always sit straight, keeping her breasts high, as if they might rise up to her chin.

Cici understood a woman's sophistication, but her shyness continued to bind her with adolescent inhibitions. She had a crush on her junior-college music professor, but faltered when it came to expressing her desires to his face.

Her professor went away last weekend and asked Cici to water his plants. Armed with her teacher's keys, Cici made frequent visits to his Uptown New York apartment. Discovering his Polaroid camera on a table, Cici hit upon a plan.

Cici stripped in the older bachelor's apartment. She spent hours, arranging herself in the poses of a sophisticated virgin. Her idea had been to scatter her photos around the room, then slip out before she could be discovered.

The needs of Cici's painful virgin condition distracted her from her timetable. Setting the camera aside, she lay back and soothed the throbbing in her quim.

As Cici found relief, she did not hear the turning of the lock. She did not notice the professor stepping through the door.

Teacher discovered his star pupil, the sophisticated virgin, fingering her cunt on his floor.

Cici burned with shame and embarrassment. Teacher did not make things better by throwing his head back and laughing at her humiliation.

Cici cried as she had done many times before. This time, however, Cici found a happy ending. Teacher unzipped his slacks and gave her something comforting to suck on. Soon, he nailed Cici on the floor and extracted the cherry that had been clogging her innards so painfully during these recent months.

Grateful, Cici asked her professor how she could ever repay him. Teacher told her to wait for him each night, nude on the floor of his apartment.

Cici waits for her teacher again, eager to greet him as she did before, a sophisticated virgin jacking off in the middle of an empty room.*

a Barely Legal concession

PHOTOGRAPHY BY STEVEN ANDRES

wow, you guys. Never in a million years did I imagine I would be featured in BARELY LEGAL. I haven't always been the most confident girl in the world. I'm shy and artistic, and I never meshed with the people at my high school. My school is very, like, jock/cheerleader, and that's just not me. I want to go to art school. But then the art kids at school, I never felt cool enough for them. It's like I never fit in with anyone ever.

I had a boyfriend for a minute, this musician named Paolo who moved here from Brazil. We had sex and it seemed so special. I thought we were in love. Then he dumped me without explanation.

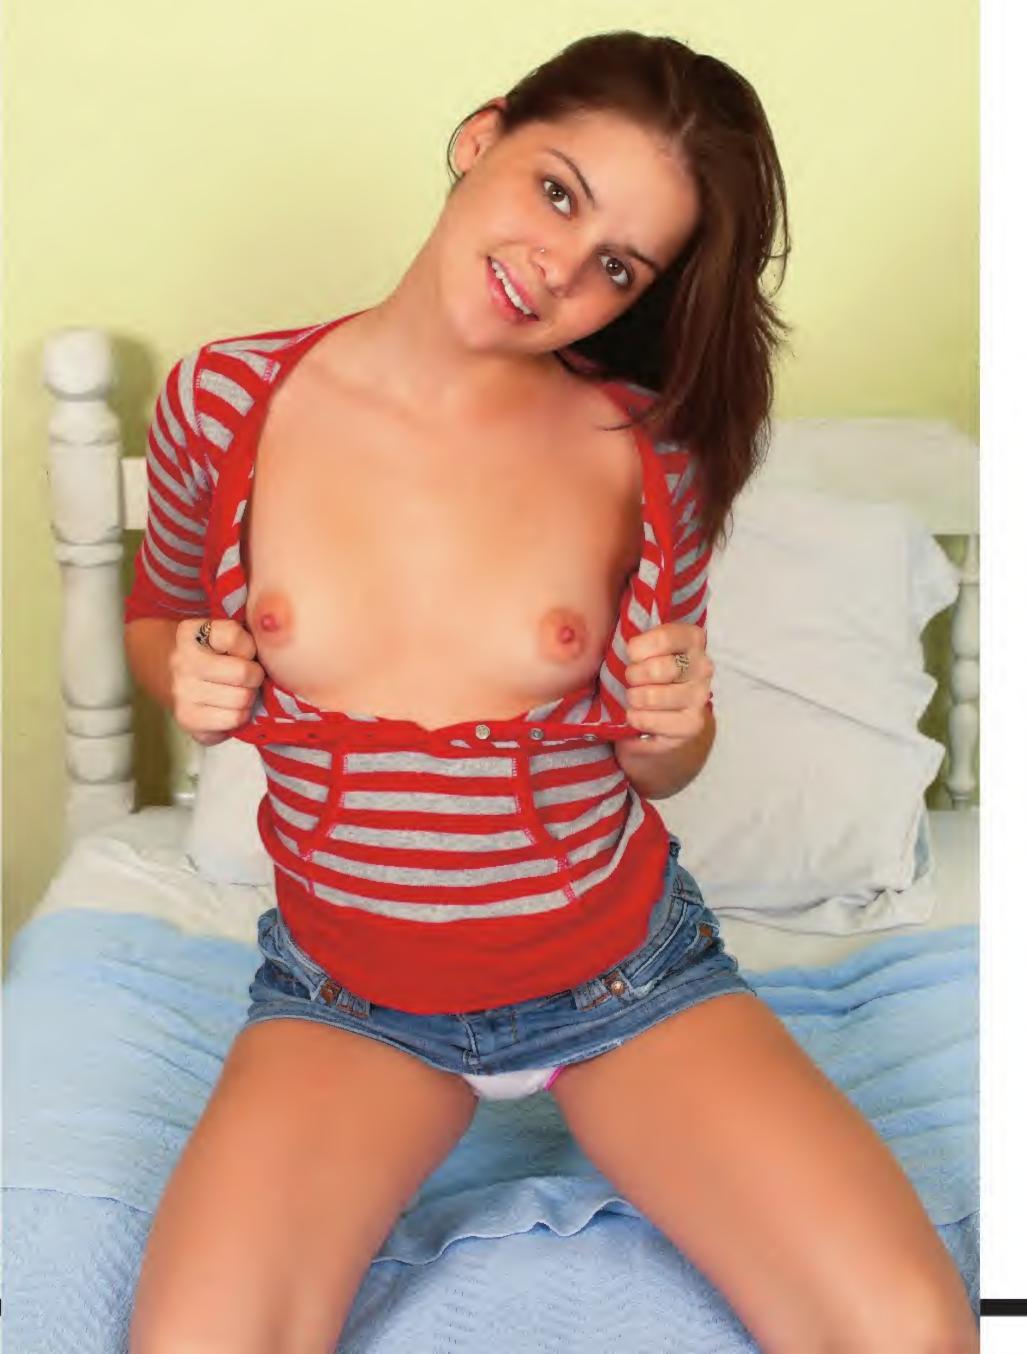

I was devastated. The weekend after we broke up, I stayed in bed and cried. My mom kept trying to bring me hot tea and grilled cheese, but I refused to eat. My best friend Deb kept calling, but I wouldn't pick up. She finally just showed up. She peeked her head in the door.

"Why aren't you answering your phone?"

"I can't talk." I started sobbing again.

"Come on." She closed the door and stretched out beside me, stroking my hair. "Paolo is a shit."

I wrapped my arms around her waist and buried my face in her neck. "What is wrong with me?" I sniffed.

"Nothing." Deb kissed my forehead. "You're the best."

Something inside me shifted. Deb and I have been friends forever, and I've never felt anything lez. Now, totally not on purpose, my pussy was wet.

Deb is beautiful. She looks like Michelle Williams on that old show *Dawson's Creek*. Which is hilarious, 'cause Deb always tells me I look like Katie Holmes.

"You're pretty," I said. I ran my hand under her sundress and up her thigh.

"You're pretty." She slipped her hand under my T-shirt and

"Omigod, it's too good," she moaned. "You're gonna make me come too quick."

"I want you to." I slurped her pussy as deep as I could get it. "Squirt in my mouth."

"Oh, fuck," she gasped. "Oh, god. Oh, fuck. YESSS!!!"

Her pussy exploded. Sweet, salty juice filled my mouth. She twitched and moaned and pulled my hair.

"Get up here so I can make you come," she panted.

I was almost there already. I sat on her face. She slid two fingers inside my hole and licked my clit.

cupped my tit. I wanted to taste her mouth. I slid my tongue between her lips. She pinched my nip.

We were lovey-dovey for a sec, but it dissolved into crazy horniness. We tore each other's clothes off and ground our naked bodies together, our pussies slippery wet.

"Let me lick your clit," I panted.

Deb stretched out on her back and spread her legs. I nuzzled her wet slit. I loved the way she smelled, like fruit and spice. I dragged my tongue between her lips and jabbed the tip into her hole. I sucked her swollen clit. "You're so wet," she whispered.

I rocked against her mouth. Her tongue was hot and slippery. My insides welled up. My pussy was hot and swollen. I was coming.

"Yeah yeah YEAHHH!"

Lezzing out didn't turn me gay, but I felt better after. I was ready to focus on things other than Paolo—like applying for art school. Graduation was coming up quick.

There's a college close to Little Rock with a good program. I took a day off school to visit and sit in on a ceramics class.

I love working with clay, so I was super excited. Then I saw the instructor. *Swoon!* He was, like, earthy, with a beard and big blue eyes. Plus he was tall and kind of stocky. I'm tiny, and I love big men. They make me feel protected. I introduced myself.

"I'm Lorelai. I'm here to observe."

"I'm Heath." We shook hands. I hoped he couldn't tell that I was trembling. "Welcome."

The class worked with pottery wheels. I watched Heath's hands on the clay and imagined what they'd feel like on my skin. I lingered after to thank him.

"I...I really enjoyed sitting in," I stammered. It was just the two of us now and I was so nervous! "I think I'd get a lot out of your class."

"I'm glad," he said. "Have you worked with a pottery wheel before?"

"Some, but I'm not very good."

"I can teach you. If you feel like hanging around, I'll show you some basics."

Was I dreaming?

We started slow. I kept messing up, smushing the clay all wrong, sending globs flying. But Heath was patient. He leaned in close, guided my hands.

"Good," he said. I loved the way he smelled, like woods and leaves. I felt his breath on my neck. My clit got hard, my face hot. "You're a natural." His lips were so close to my ear, I could almost feel them.

"Really? I feel like a spaz."

"No. Your hands are supple."

My heart pounded. His hands slid up my arms. I shivered and broke out in goose bumps. His mouth brushed against my cheek.

"Your skin is beautiful," he whispered.

My head spun. Was this happening? He kissed my neck. I got weak. My foot slipped off the pottery wheel's pedal. Clay went flying, hitting the walls with a *smack*.

"Don't worry," Heath said. He turned me around and kissed me. His beard tickled my lips. "There's something special about you," he whispered, running his hands over my chest. "You have talent."

My nips were like, Boing! He ran his tongue across my lips and nudged it inside my mouth. It was the world's hottest kiss.

"Will you touch it?" He guided my hand between his legs. He was hard and throbbing. I squeezed his cock.

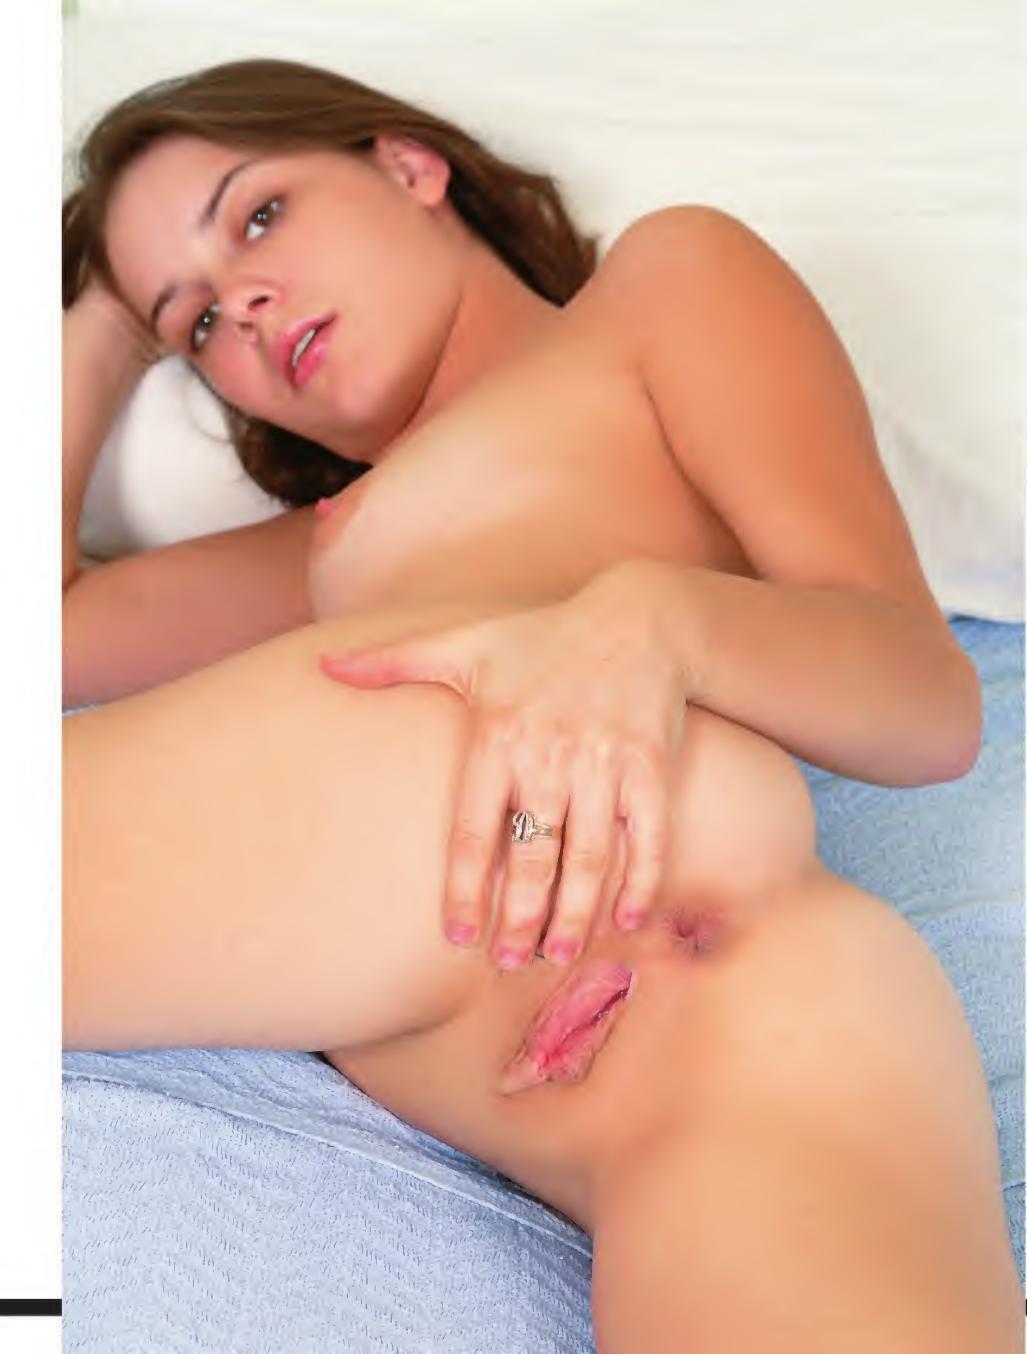

"Now will you put it in your mouth?"

"Yeah."

I was nervous 'cause I don't have a lot of blowjob experience, but I told myself to relax and do what felt natural. I knelt between his knees and unzipped his jeans. His boner was raging. I wrapped my fingers around the base and licked the tip, rolling my tongue over it and sucking it into my mouth.

"Yeah," he breathed. "Keep going."

I slid my mouth further down his cock, inching slowly until the head nestled against the back of my throat. I was so worried I'd gag—but I so didn't! I loved having my mouth full of him. I bobbed up and down, slow, then fast.

"Lick my balls," he said.

I dragged my tongue across his nuts and sucked each one into my mouth. I felt dirty and I liked it!

"Hold on," he panted. "I want to feel your pussy. Sit in my lap."
I lifted my skirt and straddled him. He slid his finger under
my panties and into my hole. Omigod, it felt good. Sometimes
guys are really rough when they finger a girl. Heath knew just
how to do it.

"Oh, god," I sighed.

He rubbed his thumb against my clit. "You gonna come?" "Oh, yeah."

I dug my fingers into his shoulders and squirmed against his hand. My pussy trembled. My insides welled up. "Annnnkkkkkkk!" I thought I was going to pass out.

"You'll let me come on you now?" he gasped. "On your tits?" I stretched out on the floor and lifted my shirt. Heath pulled on his cock.

"Unghh! Unghhhhh!" He hosed my chest. His jizz was hot, and there was a ton of it. I rubbed it into my skin. I felt slutty and sexy.

"Wow," I said. "I've never done anything like that."

"If you'd like," Heath said, "we can do something like that again. Are you free Saturday night?"

Omigod, for real?!

"Sure," I said.

"Give me your number and I'll text you my address."

I mean, whoa. I did not expect my campus visit to turn out like this.

Driving to Heath's house Saturday night, I had such severe butterflies I thought I was going to hurl. I pulled into his driveway, my heart racing. I rang the doorbell and he opened.

"Come in."

His house was so cool, full of ceramics and sculptures and art books. He had tons of plants and a huge tabby cat. The place was so, like, bohemian. I felt like I fit right in.

"Would you like some wine?" he said.

"Sure." I never drink, but I didn't want him to think I was a square or something.

"Have a seat. I'll be right back."

I settled into the couch. He brought me a glass and sat next to me, close.

"Our visit after my class this week was really something. I hope you'll decide to enroll this fall. I'd love to teach you more."

"I'd love to learn."

He rested his hand on my thigh.

"I like your dress. You should take it off."

My heart leapt. I felt so wanted.

Heath slid the straps off my shoulders and peeked down the top at my cleavage.

"Such sweet little tits."

He slipped my dress down and pressed me onto my back, sucking my nipples. His hands circled my waist.

"You're so little," he murmured. He dipped two fingers into my cooch. "Your pussy's so tight." He dragged his mouth down my chest, down over my belly, lower, till his tongue was in my slit. I moaned.

"You taste good," he said. "You'll let me stick my dick in?" "Yeah."

I kicked off my sandals and stretched across the couch, legs spread. He tore off his jeans and T-shirt and lay down on top of me. I loved the way his broad, furry chest felt against my tits. His boner slid between my pussy lips. It felt so good and hard against my clit.

"Good god, you're wet," he panted, grinding against me. I could have come just humping against him like that. He grabbed his dick and slapped it against my clit. I tingled all over. I might have been the most turned on in my life, ever.

"I'm gonna fuck you now," he said.

Being talked dirty to is sexy.

Heath crouched over me and spread my lips. He nudged his dick against my pussy and popped the tip in. The anticipation was almost too much. My legs were shaking.

"Auuuuugh." He slid his cock all the way in. Omigod, it was big. He slung one of my legs over his shoulder, cupped my ass, and pushed into me. I moaned, digging my fingers into his back. His cock went so deep! I felt like I would burst.

Heath paused. "Will you do something for me?"

"Anything," I gasped.

"Will you let me do you in the ass?"

I will admit, that shocked me for a sec. I mean, anal? But everything was so amazing with him. If there ever was a time to try it, this was it.

"Okay."

"I'll be gentle," he said.

He pulled me to the floor. I crouched on my hands and knees. He licked my pussy from behind, then his tongue slow-ly traveled from my pussy to my butthole. For a second I was self-conscious—what if my tooter smelled funky? But the minute Heath started licking my ass, I lost all inhibitions. He jabbed his tongue in my asshole, slurping up and down my crack while he fingered my pussy. I pressed my head into the floor and clutched the carpet.

"Wow," I panted. "This is, I mean, this...omigod, yes!"

"Mmm-hmm. You're ready," he said.

I closed my eyes and took a deep breath. Heath slid his cock between my cheeks and nudged it against my butthole, wet with pussy juice and spit. I was more than ready. I wanted it.

Heath inched slowly in. He pushed in a little, pulled out a little. So gentle! He reached around and diddled my pussy. I was dripping.

"Here we go," he said, gripping my hips. With one push, he was in. He felt even bigger in my butthole! I felt a lot of pressure, but the longer he stayed inside, the more we moved together, the more my butt relaxed. And the more it relaxed, the more pleasure I felt. I didn't even know this feeling existed. Was I about to come in my butt?

"Oh oh oh," I gasped. I felt it coming.

"Yeah," Heath panted. "I'm gonna come in your ass. You're coming too?"

"Omigod, I think so. Omigod, yes!"

I swelled up inside. It was like every drop of blood in my body had rushed to my behind. I quivered. Sweat dripped down my forehead. Then, there I went.

"ААААНННННННН!!!"

Right then, Heath busted in my booty. Like a volcano erupted in my butt.

We dropped flat on the floor, rolled onto our backs, chests heaving.

I mean, omigod. Sorry if this sounds corny, but that was, like, a transcendent experience. I finally understood why I never fit in before—'cause I never met anyone like Heath.

I can't wait for college. I'm gonna learn so much! *

"I think my best feature is my hair," says 20year-old Kush from Waco, Texas. We think her best feature is her cute little cocksucker's mouth. Or maybe it's those luscious nips. No, it's gotta be that pretty, perfectly hairy pussy. Argh-we can't choose! Every part of this 5-7 sexpot is adorable, including her modesty: "I can't believe that I got approved to even be in the magazine." See? Sweet Kush loves being nude in public-she works as a professional entertainer, and she's already had sex at school, in cars, and "in a few parks." Next on the list? Joining the Mile High Club and frolicking "naked at a beach in the Bahamas." We've already bought our tickets, Kush! -photos by friend

JE55 dial m for muff

ey, it's Lindsey. High school senior Jess can't wait until she graduates in three weeks-and I bet someone else can't, either.

Jess, I have something to tell you: it's the year 2012. There are these things called cell phones?

I know, I know. Everybody teases me about my phone. But I don't like radiation.

At least get a cordless phone!

I don't need one. I do all my talking here in my room. I have to have privacy.

Why? Are you having phone sex? [Blushes.] How did you know?

Lucky guess. Who are you doing it with? An older guy I know. It's kind of forbidden.

BARELY LEGAL BONE OF FIGE

We girls at BARELY LEGAL think the best person to judge the realness and hotness of a legal-teen video is a real, hot legal teen. Here to review our latest release is this month's guest critic, Holly Michaels.

BARELY LEGAL #126

HUSTLER Video. Director: Otto Bauer. Starring: Avril Hall, Abbie Anderson, Giselle Leon, Karina White, Carmen Monet, Eric John, Ralph Long, Marco Banderas, John Strong, and Otto Bauer.

The theme of this movie is Truth or Dare, but it should be Truth or BLOW-all of the girls are obsessed with BJs! They just keep stopping mid-bone to slobber on cock! Innocent-looking Carmen Monet dares to suck John Strong's dick in her mom's backyard, but does she rush for fear of getting caught? No-she slurps it sooo slowwwly, I thought the DVD was stuck on pause! Skinny li'l redhead Abbie Anderson also sucks with gusto, but when Eric John fucks her, she just lays there whimpering like a puppy. Yawn. Then-surprise!-she suddenly hops on his dick reverse-cowgirl like she's trying to win a race. Yay! Teeny blonde Avril Hall doesn't even wait for Otto Bauer to get his pants offshe licks his boner right through them! Otto dick-whacks her tits and tongue, but when he tries to push his peen into her tiny vaginey, it doesn't fit on the first try. (Is Avril a virgin? LOL!) Avril doesn't care-she just keeps cramming Otto's cock down her throat, drooling and choking the whole time. I could tell she was proud. Go, Avril! Or should I say "Blow, Avril"?:) Meanwhile, Karina White hooks up with Marco Banderas, who seriously has the biggest penis I've ever seen. Karina has to suck it and jack it at the same time! (P.S. I've been crushing on Karina since she was in the February issue of BL, so it was awesome to see her and her big boobies in motion.) All of the girls eat peen like champs, but the MVP is definitely Giselle Leon—she deep-throats Ralph Long without even blinking. She just makes yummy noises and shakes her tight, tan ass while he fucks her face. You never really know what to expect from horny girls except for one truth: The best ones dare to get some cum on their tongue!

HOLLY

booty queen

tacy the intern here. I already interviewed porn starlet Holly once before (Anniversary 2011), but I still turn into a complete drooling idiot around her hotness!

Holly, omlgod. Did your boobs actually get bigger?

LOL! No, they're basically the same size, but you know hormones. The other morning I woke up and they were HUGE. I just laid in bed playing with them for hours.

I bet guys can't keep their hands off them.
True, but they like my butt, too.

Okay, let's talk about your butt. I was looking at your list of credits and—omigod. You do so much anal!

I know. I love anal—especially when it's really rough.

Doesn't that hurt?

It might hurt the guy! I get a little crazy when I have a dick in my ass.

What's your fave anal position?

Me on top. I like to slam my asshole down on the guy's cock and get it as deep as possible.

Sheesh!

I'm telling you—the guy has to watch out, not me!

Would you ever suck a cock after it's been in your butt?

Sure, why not? Every part of me tastes good.;)

Do you have any new talents since the last time you were here?

I can deep-throat now. It's one of my favorite things to do.

What's the wildest thing you've done?

I just did my first DP! I loved it. I felt so spoiled.

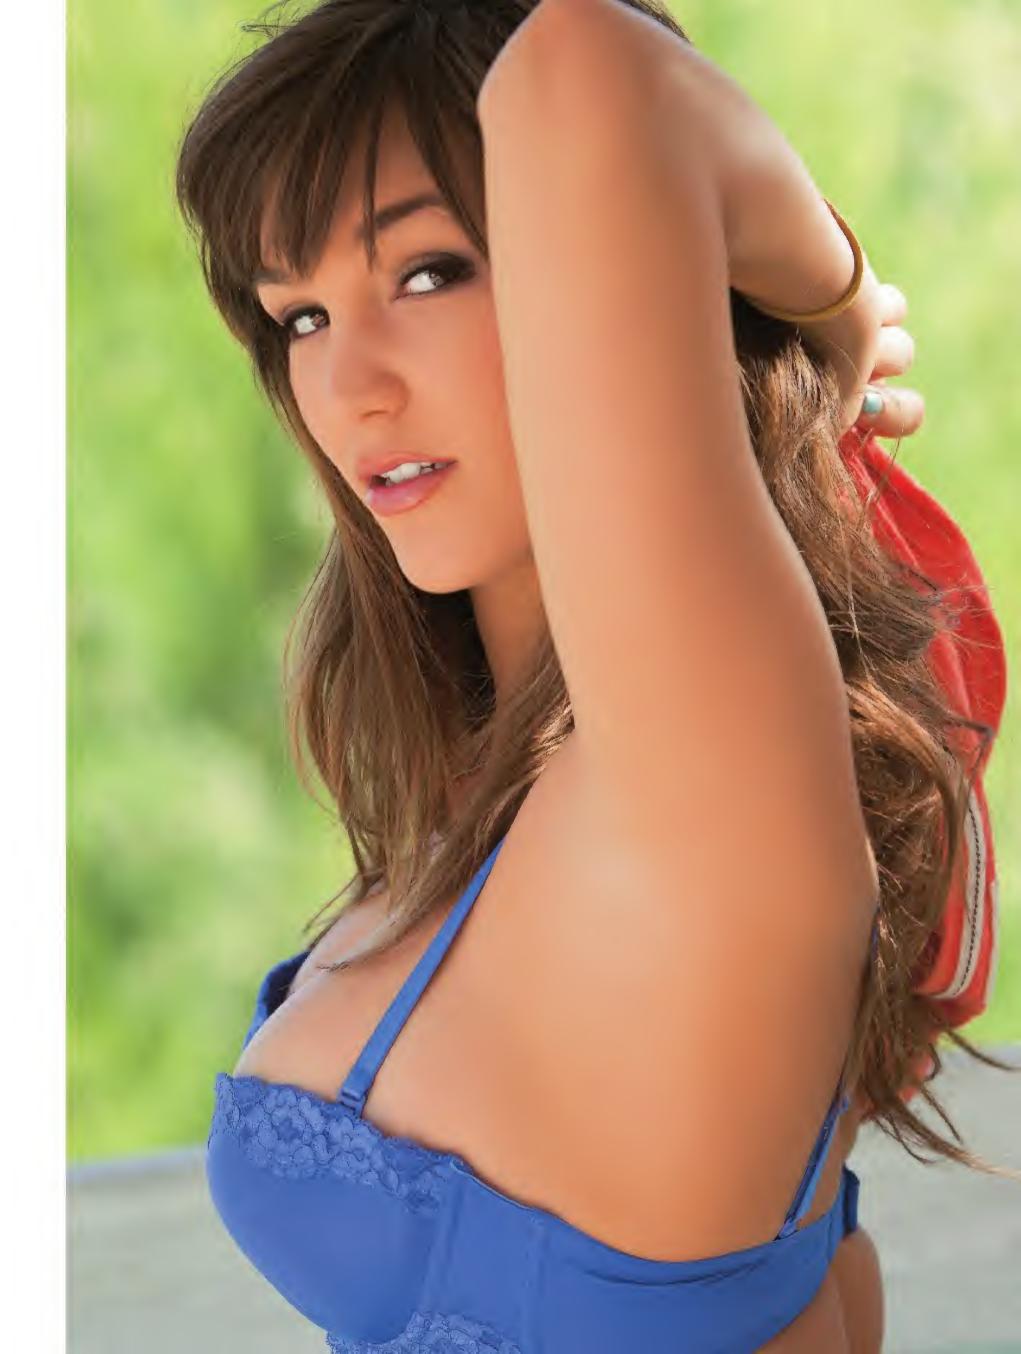

is one cock going to be enough for you now?

LOL! Of course! Especially if it's in my ass. My butthole is really tight.

Look!

Excuse me, I have to go pass out. *
